A high school yearbook records the history of the senior class, but also, to a large degree, reflects the events centering around any pupil in the school whatever his grade. The book describes the passage of the seasons from fall through winter till spring. It also pictures the passage of the hours of the day. The 1962 Anthem will attempt to show the reader how the hours progress through the student's activity from seven o'clock, when he arises, through the school day, concluding with the last events that close the action for the evening.

Picture the activities in our school and the times at which they occur. Mornings at eight-thirty. We meet our friends. We eat lunch at noon. We attend English or geometry or Spanish during the day, and after classes we become part of the G. A. meetings, band practice, and choir rehearsals. Our evenings are spent at football games in the stadium, basketball games in the gym, at the class play rehearsals, at the play itself. We come to class parties, the Snow? Ball, the G. A. formal as part of the regular school activities. The Anthem through the use of slides follows the school day from dawn till dusk.

The class president, Edward Wolf, gave to this office the leadership it needed. His efforts, in and out of school, were appreciated by all.

As vice-president, Raymond Gee contributed time and effort to his fellow officers and the rest of the senior class.

Donna Douglas performed the duties of secretary for the Class of '62. Peter Widowitz, as treasurer, was responsible for class finances.

We, the class of '62, hope that our efforts at Brentwood will be remembered. As a class we sponsored the Prom, with the help of the juniors, and everyone did his part to make it a big success. We also sponsored three Senior High dances after basketball games, and co-sponsored the KQV High Hoopers game with the Key Club to raise funds. Members of the class raised additional funds by selling note cards. Other efforts went toward the Senior Recognition night, the class play, and the class party. We wish to thank our officers for a magnificent job in supervising these functions.

# UNDERCLASSMEN

Vice President Beverly Karhut has helped her class tremendously in all the activities and has given Richard Ryan a well-appreciated helping hand.

As secretary Linda Lewis helped keep the workings of the Junior Class on an even keel. Treasurer Jack Kaufmann handled the funds raised by the class.

The Junior Class President, Richard Ryan, has shown exceptional leadership qualities in dealing with the various activities this year.

The Junior Class has led the way in various projects sponsored by themselves and their capable sponsor Mr. John Toth.

Among their main projects were selling tickets for both football and basketball games and making signs. Their persistent efforts and overwhelming enthusiasm have made them outstanding. Other activities included their class party held on March 16. They also aided the Senior Class in organizing the Junior-Senior Prom. They took an active part in raising funds for the Prom and gave their general support.

We the Class of '62 feel we are leaving Brentwood High in good hands because the Class of '63 is sure to make their Senior year productive and will be successful in holding up the Senior tradition. We would like to wish them continued success.

# Sophomore Class Officers

President Joseph Curtin and Vice President Jean Slater of the Sophomore Class led in various worth-while activities in and out of school.

The Sophomore Class has held many worth-while activities during the past year. Sponsoring the first league basketball game, a dance in the spring, and their class party which was held on November 17, 1961 have been some of their main projects. Their party was entitled "The Sophomore Class Goes Western" and was acclaimed as a huge success.

Over the holidays the class got together for various activities and to have a good time.

Under the able leadership of Mr. Robert Schwille, the Sophomore Class has been outstanding in all its endeavors.

The Class of '62 wishes the Class of '64 good times and good luck in its future years at Brentwood High School and in all its projects and activities.

Secretary Barbara Gee and Treasurer Gary Lynn helped keep the class in good shape with the paper work and financially.

# Superintendent

To you as students of the Brentwood High School, we say, "Good Bye," which means God be with you. To you as graduates of our high school, the world will be saying, "Hello," which means attention wanted. The world which is greeting you is hoping that some of you will be like Lord Nelson who said that he owed all of his success in life to being there twenty minutes beforehand. The world is hoping that all of you will be like Lincoln who said that when problems beyond his ability to solve arose, he turned to the Almighty for help. We are hoping that you will always remember that a good day's work is more valuable than a thousand wishes.

Good Luck and Best Wishes.

## Exchange Students At Brentwood

This year Brentwood inaugurated a student exchange program with South America. In the spring of 1961 representatives of International Fellowship Inc. of Buffalo gave juniors a chance to make a good will trip to South America. Roger Denk went to Guayaquil, Ecuador over the summer months. Consuelo Pincay Paz then arrived in September to remain until graduation. She formerly graduated from Urdessa School. On December 8 Juan Ignacio Mesa came to stay with the Denk family and attend classes in English here. Exchange students were welcomed at Brentwood.

Queridos Amigos:

El tiempo en Brentwood ha pasado muy de prisa y para mi es hora de volver a Medellin pero, antes quisiera expresar a todos los miembros de este plantel mis sinceros agradecimientos.

Estos pocos dias en Brentwood, me han dado una muestra de la amistad y union que deben unir a todos los paises de este Nuevo Continente.

Quisiera poder decirles todo esto en Ingles pero, por desgracia, no me es posible. Espero, sin embargo que Uds comprendan que hay palabras de agradecimiento que brotan del corazon y que en cualquier lengua el significado es el mismo.

Atentamente,

*Gonzalo Pincay Paz*

Dear Friends,

When you read these lines, the school year will be almost finished. I will be preparing for my return to Ecuador. This is the only opportunity I will have to tell you how much I have enjoyed these past months at Brentwood High.

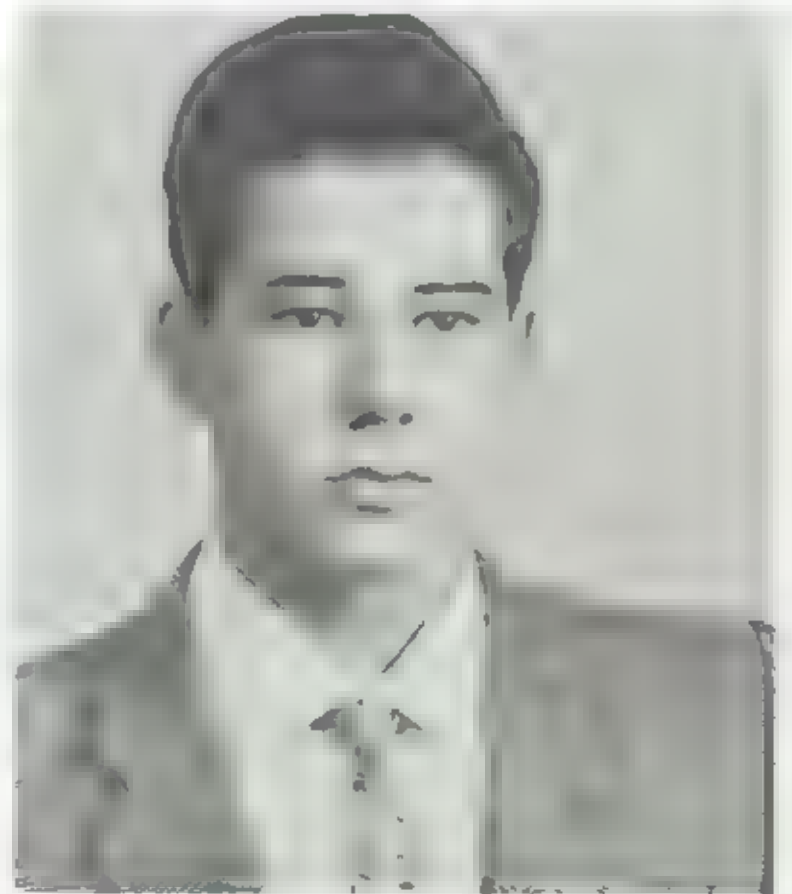

I shall never forget the happy hours spent in my various classes — English, shorthand, art. I shall always treasure my memories of the football and basketball games, and how I always carried the largest purse in order to take care of the cow bell.

I also want to thank the teachers at Brentwood High for all they have done for me.

There are so many things that I would like to say to you but I cannot seem to gather my thoughts. Thus, I thank you from the bottom of my heart and instead of saying "good-bye", I will just say "Hasta la vista" which in English means "so long" and I hope to see you again in Pittsburgh or in Ecuador.

Sincerely,

*Gonzalo Pincay Paz*

Juan and Connie listen to recordings which will help them improve their English.

Connie's graduating class consisted of six girls.

Students who have been elected to the National Honor Society have attained the greatest honor that a student of the school can receive. Miss Annajean Grieve supervises the group of Brentwood High members. Four fields are considered for membership in the organization. Character, scholarship, leadership, and service compose the areas on which the teachers of the school vote. Juniors and seniors are eligible to be chosen. At a school assembly during the year, the installation of new members was held.

Under the able baton of Mr. John Rumbarger, the squad consisted of Captain Donaileen Winter, Dolores Dubel, Kim Yea, Rae Ann Richards, Donna Jo Pearson, Jean Slater, Valorie Miller, and Pat Croke. # Junior Red Cross

The Junior Red Cross, guided by Mrs. Marjorie Steadman, sponsored many projects for the year. Along with cutting records for the armed forces overseas, they also entertained at various children's wards. In addition the members filled Christmas stockings for many underprivileged children, and they collected old books, comic books, vases, and ash trays to complete the project. Two separate junior and senior high clubs were active during the year. A council from both clubs was used to guide the organizations. Many interested boys and girls turned out to participate in this club.

## Cafeteria

Through the efforts of Mrs. Hester Mohler and her staff, the students have been served many delicious meals. Mrs. Mohler's staff includes Mrs. Clara Roth, Mrs. Catherine Smith, Mrs. Grace Shade, Mrs. Rudy Friche, Mrs. Ida Held, Mrs. Mary Winovich, Mrs. Helen Parise, and Mrs. Dorothy Billanti. Mrs. Emma Dunlap, who has been a member of the cafeteria staff since December 1, 1946, retired during the term. We all wish her many years of happy retirement.

## Custodians

Carl Reinhart, Joseph Flosnik, and Francis Garvey, custodians of the school, helped to keep the building clean over the long term. They also worked hard keeping the school warm during the winter months, and in the spring and early summer they cared for the grounds. When special occasions for performances were held, they cleaned and prepared for them. For their many services we heartily thank our custodians.

Hampered by injuries the 1961 Spartans finished the season with a record of 2 wins, 6 losses, and a tie. Coached by George Radosevich, Bertil von Philp, Richard Barclay, and George Reed, the team scored 111 points to the opposition's 140.

This year's team is the first ever to hold a Carrick team scoreless. Other highlights include a 6-6 tie with Chartiers-Houston. When the gun sounded the end of the game, Brentwood was on Chartiers' 10 yard line. The Spartans finished the season with a 20-12 victory over West Mifflin South. This was the Spartan's first Alle-Mon Conference win in two years.

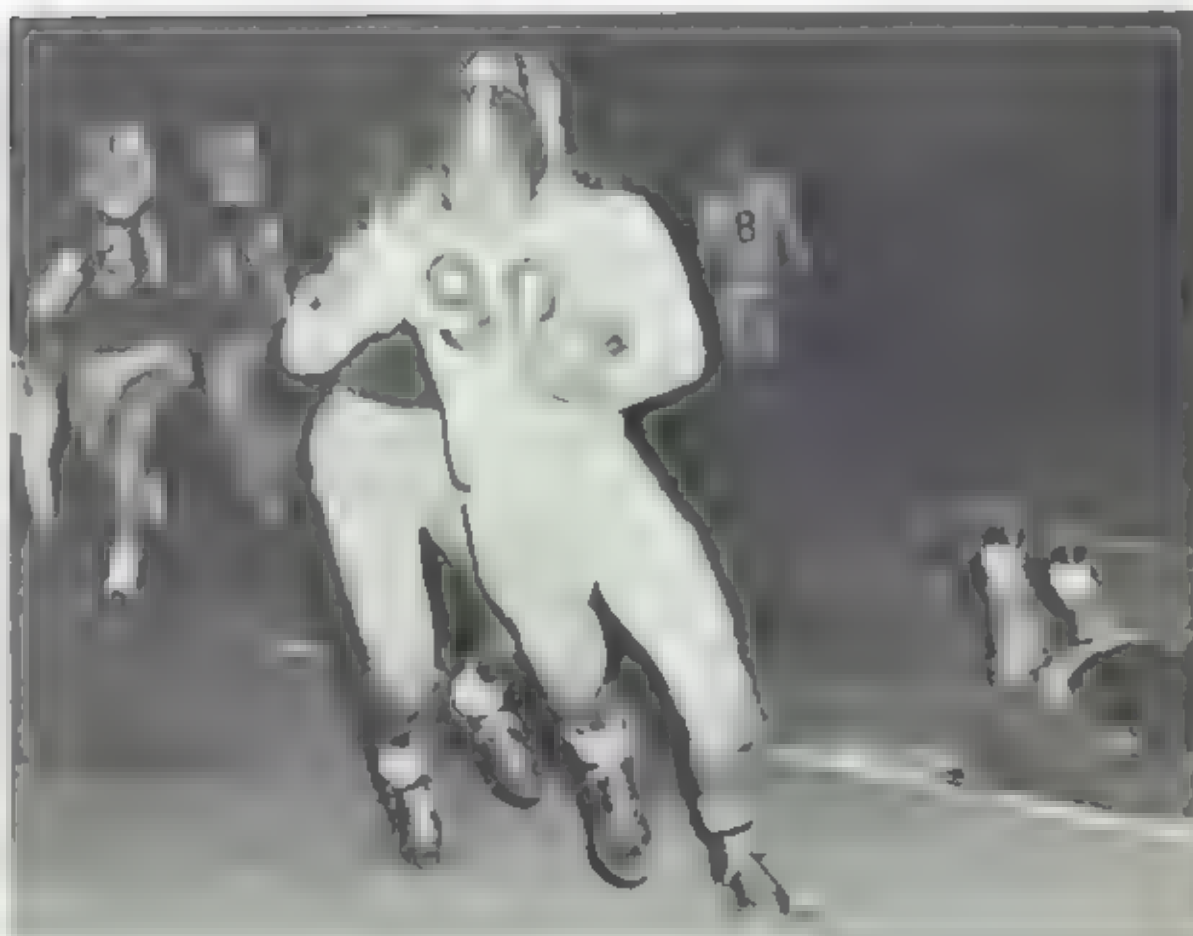

Senior Lettermen include George and Harry Bender, Ron Graham, Ray Gee, Rich Jeffers, Dave Lewis, Bob Park, Ed Parzick, Nick Polyak, Tom Quigley, Jim Samarco, Ron Seibert, George Tsakrios, Ron Wilging, and Ed Wolf.

# Track

The Spartan track team is looking forward to a repetition of last year's record. The team posted a 9-0 record, beating such teams as South Hills Catholic, Dormont, Coraopolis, Thomas Jefferson, and Homestead. This year's returning lettermen are Russell Luck, Michael Neesham, James Elmore, James Samarco, Bob Kerr, Bob Graham, and George Tsakrios. This will be Mr. Richard Whitfield's first year as head track coach, and hopes are high that Brentwood's track team will continue along the road to success.

This year the Spartans compiled a record of two victories and six defeats against rugged competition. The team, coached by William Douglass, was sparked by Jack Rozzo who had record breaking performances in three meets. He broke his own school record of 10:29 in the South Hills Catholic meet when he ran the course in 10:26. Next year's seven returning lettermen will feel the loss of seniors Bob Chisler, Chuck Schmidt, and Rich Graham.

This year the Junior Varsity was coached by Mr. Robert Schwille. The team played well throughout the year and showed constant improvement. The boys learned to play as a team, and the coaching staff hopes that several of them will be real assets to next year's varsity. Among these are: Joe Curtin, George Shannon, Rich Westfall, and Jack Rozzo.

## J.V. Basketball

## Junior High Basketball

Coached by Mr. George Reed, the junior high team learned the fundamentals necessary to play varsity basketball. During their games they exhibited their skills, and the coaching staff has high hopes that some of these boys will contribute to next year's team.

## Varsity Lettermen's Club

The main accomplishment of the Varsity Lettermen's Club was the awarding of blazers to four three-year lettermen. This was made possible by the annual dance held on November 23.

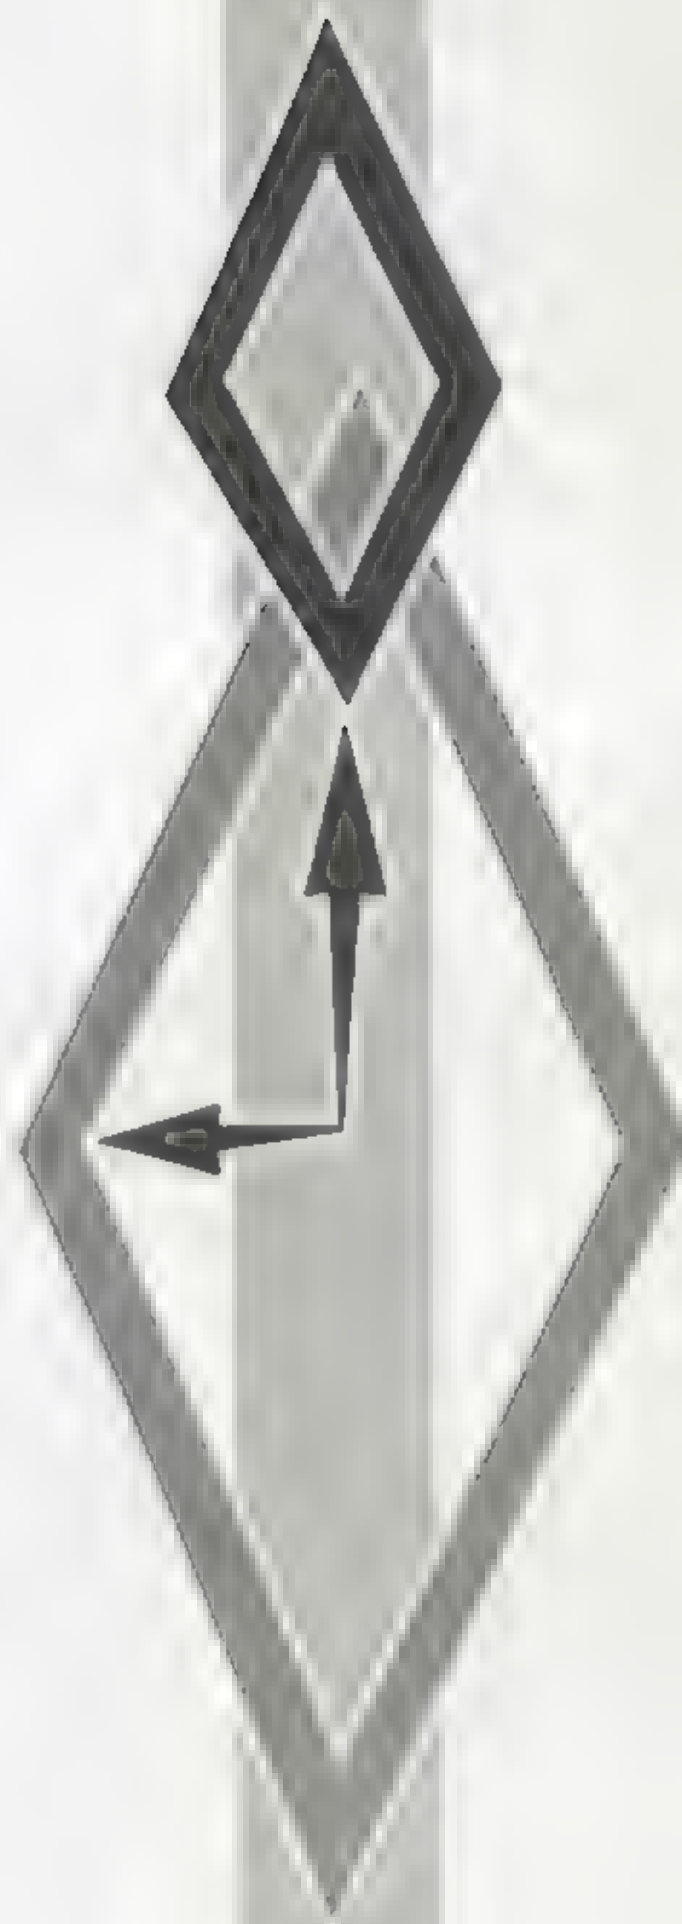

This year's officers were President, Nick Polyak; Vice President, Jim Samarco; Secretary, George Bender; and Treasurer, Harry Bender.

The Junior Varsity concluded a very successful season by defeating Upper St. Clair 13-7. They also defeated Snowden 6-0 but lost to Bethel 19-0. The boys learned basic fundamentals, and several should be a benefit to next year's varsity team.

# ACTIVITIES

Gay, wintry snowmen which decorated the gym smiled upon the dancers at this year's Sno-Ball. The Senior High Student Council sponsors this annual affair, and members worked hard decorating for it. The dance was held in December.

## Christmas Play

The annual Christmas performance was held on December 14. The Senior Choir, Girls' Chorus, and the Junior Choir provided the choral music. The Girls' Ensemble was the angel host and three members of the Boys' Octet were the three kings. Two readers were selected from the public speaking classes.

The G.A.L. of 1962 had as its theme "Japanese Gardens." The gym was decorated in a Japanese setting with a pagoda adorning the center of the gym. The senior girls put in much time and effort to make this year's dance a huge success. The dance was held on March 9.
